

December 2011

Ahoy! Our 8th season is wrapping up and boat use has slowed as we head into the holidays. Members enjoyed well over 3000 outings this year alone. We were fortunate to have some rain the past few weeks and hope to see that continue. Lake Travis elevation is currently at [626.58 feet](#). The current temp. is 60 degrees at the surface.

HOLIDAY HOURS

VBC will be closed the week of Dec. 24th - Jan 2nd.

FLEET NEWS

BENNINGTON

We have purchased 5 new boats for the 2012 season and hope you will be excited to see some new models from Bennington & Regal. Of course, they will be equipped with upgraded, high-quality stereos! More details coming soon..

All of the boats are scheduled for delivery late April – early May.

1 FREE MONTH FOR REFERRING A MEMBER UNTILL APRIL 1ST

Referring your friends and family to the club has never rewarded you better. Invite them to go boating; it's an easy way to get referrals!

MEMBERSHIP RENEWAL

When you renew your membership you don't have to pay a membership fee! This means that your 2nd and subsequent years cost 20-35% less than your first year! Maintaining your membership is the most economical, carefree way to enjoy the lake with new boats and equipment! Members can upgrade at any time. Let us know if you are interested in test driving a level 1 boat or would like a quote.

ACC BOAT CLUB OPENS IN APRIL – OUR 3RD CLUB!

This April we will be opening our third boat club. Located on Lake Austin access is limited to members of Austin Country Club. For more information on Austin Country Club and their membership options [click here](#).

VBC ANNUAL EVENTS

This spring we will, again, invite all members to join us at the Cedar Park Center for a Texas Stars hockey game! Tickets will be provided for members and their immediate family, complimentary of the club! More information will be provided shortly.

NEW WATERSPORTS EQUIPMENT

When you step in the club equipment cage this spring you'll notice a new variety of: neoprene ski vests, wakeboards, wake surf boards tubes, and kneeboards. It's our goal to make sure you are fully equipped for many fun-filled boating days on beautiful Lake Travis!

GOOD NEWS FOR THE LAKE LEVEL FORECAST

Recent projections released by the LCRA show that Lake Levels should remain at or near current elevations even if the drought persists. Lake levels have not changed much since September and projections predict another great season of boating. It looks like we may have the lake to ourselves again this coming season!

For more information on Lake Travis' water level projections click [here](#). For current reporting on the highland lakes water click [here](#).
